Principles of Christian Self-Government Identified

Statement

Source of government (internal/external)

Christian, Pagan ^{view of Man} (bottom up, top down)

View of Sovereignty (Individual, state, God)

Source of Government - Internal (You shall govern yourself)

If internal government is refused, external government will prevail (consequences)

Sovereignty: God is sovereign

Christian view of man - Individual is servant of God and must govern himself under God

"From the tree of the knowledge of good and evil, you shall not eat."

"In the day that you eat from it you shall surely die."
